

Colorado Council for Wildlife Rehabilitation

2008 Workshop and Annual General Membership Meeting

Venue: The Mature Adult Center,
3295 W. 72nd Street, Westminster, CO
Date: Saturday February 9, 2008
Time: 10 AM – 4 PM (check-in 9:00 AM –10 AM)
Cost: \$20 members, \$25 non-members

The focus for this event will be YOUR participation and involvement. We've organized several speakers on topics including proactive wildlife rehabilitation, wound management in mammals and birds and evacuation planning. There will also be roundtable, facilitated discussion on the challenging issue of Setting Limits — Capacity and Euthanasia.

All too often at these types of events, there is not enough time for networking, so we're purpose-

fully enabling this opportunity by providing a venue, food to eat and food for thought, beverages, and access to speakers and each other. Our goal is to get you talking, sharing ideas and experiences.

The registration fee includes lunch and beverages throughout the day together with the Delegate Packet and Certificate of Attendance for applicable CACVT continuing education credits. See our web site www.ccwr-co.org for the workshop agenda and details on the speakers.

As part of our annual general membership meeting, we will announce the recipients of the CCWR Catherine Hurlbutt and Hurlbutt Matching Grants.

CCWR 2008 Education Workshop Registration
